## Light Towers

Compact and Wide-Body

### EXTEND WORKING HOURS

Reliance Rentals light towers are ideal for illuminating general job sites, concrete pours, special events, parking lots and road and bridge work. The adjustable vertical masts extend 23 feet and can rotate 360 degrees for optimum lighting flexibility.

### JOB SITE VERSATILITY

Compact and wide-body light towers with long LED lights and large fuel tanks provide long hours of continuous lighting. A variety of options are available including easy to install light diffusers to reduce glare.
