FEATURES

Diesel Engine features include electric start/ glow plugs, battery charging alternator, heavy duty radiator, and air cleaner.

Built-In Generator is single phase, 120V, contains an instrument panel with keyed ignition and hour meter, and 8 kW at 1,800 RPM (14HP).

On-Board Fuel Tank is a TC approved steel tank with 2" fuel inlet nozzle mounted at the side of the trailer for ground access.

Flargo Self-Contained Industrial Heaters

Turnkey Portable Heat and Power

FVO-1100TR

These self-contained heaters work well for remote applications that require heat where a jobsite power source is unavailable. Standard features include a solid steel welded channel frame and floor, electric emergency second axle breaks, as well as safety chains, ball, or pintle hitch and jack.

MODEL	FVO-1100TR
ENGINE	YANMAR OR KUBOTA LIQUID COOLED DIESEL
HEATERS	(2) FVO-400RC FLAGRO INDIRECT FIRED HEATERS
FUEL CONSUMPTION	ENGINE: 1.08 GAL/HR AT FULL LOAD HEATERS: (2) 400,000 BTU AT 2.75 GAL/HR
RUN TIME	44 HRS
GENERATOR	STAMFORD NEWAGE
FUEL TANK*	300 GALLONS
BURNER TECHNOLOGY	RIELLO BURNER
L x W x H	15' x 7'4" x 7'
WEIGHT	4,300 LBS (EMPTY)
APPROVALS	CSA & ESA APPROVED DOT APPROVED TRAILER
